## \* Activity : 4

Write a paragraph about how you celebrated your birthday. The sentence in the paragraph should follow different sentence patterns:

I celebrated my birthday in a calm and dignified manner, finding happiness not in display but in sincere togetherness. The Morning began with quiet prayers and warm wishes from my family. When the warm wishes first light entered my room, I felt a deep sense of gratitude that remained with me throughout the day.

My parents prepared or simply invited a few close friends, and we spent the afternoon recalling memories and exchanging thoughtful conversation. As the day progressed the house reflected harmony and every moment appeared gently refined by affection. On this occasion, I made a firm resolution to cultivate discipline, serve others with humanity, and use my time with greater purpose.

I found the celebration meaningful and complete, for it united reflection, gratitude, and renewed purpose.

\* Activity : 5

Write a letter to your friend telling him / her about your visit to a historical place.

24, Shantiniketan Society,  
Ahmedabad,  
10<sup>th</sup> December 2025.

Dear Ritu,

I hope this letter finds you in good health and peaceful spirits. I am writing to share my recent visit to the historic city of 'Hampi', a place where the grandeur of India's past still lingers in stone and silence. The journey itself was smooth and refreshing, and I felt a growing sense of anticipation as we approached this once-glorious capital of the Vijayanagara Empire.

When I first entered the vast stretch of ruins, I was deeply moved, for every monument appeared to speak in a dignified and restrained voice. The Virupaksha temple rose with solemn majesty, while the stone chariot stood as a symbol of unmatched

Craftsmanship. As I walked through the royal enclosures and pillared halls, I imagined the vibrant country life that once flourished there, and I realised how power, art, and devotion were harmoniously balanced in that era.

I returned with a renewed respect for our heritage and a quiet resolve to preserve its memory. I wish you could experience this timeless beauty someday.

Yours affectionately,  
Shuchi Joshi
