I hope you are doing well. I am writing this letter to tell you about my recent visit to a historical place. Last week, I visited the famous Konark Sun temple with my family. It was truly a wonderful experience.

When we reached the temple, I was amazed to see the magnificent stone carvings. How beautiful the structure is! The Guide explained the history of the temple, and I listened carefully. Do you know that it was built in the 13th century? I could not believe how skillfully the craftsmen worked without modern tools.

The temple complex was clean and peaceful. We took many photographs I am sending with this letter. The wheels of the temple looked like huge stone clocks, and they were designed perfectly. I felt proud to see such rich Indian architecture.

Although the Sun was very hot, we didn't feel tired. We drank coconut water and enjoyed the cool breeze. Everyone admired the sculptures. What an excellent example of ancient Indian art it is!

You should definitely visit this place. You will love it. If possible, let's plan a trip together soon.

With love,
Harsh Joshi.
