→ SVO = Subject + verb + Object.

Activity : 4

- Write a paragraph about how you celebrated your birthday. The sentences in the paragraph should follow different sentence patterns.

Last Sunday was my twentieth birthday. My parents gave me a beautiful wristwatch. I invited all my close friends to a small party at near by garden. We played several fun games in the garden. My mother baked a delicious chocolate cake. The cake tasted wonderful. My friends called the party a great success. Everyone cheered loudly when I blew out the candles. We danced to music until late in the evening. I found the day truly memorable.

Activity: 5

- Write a letter to your friend telling her about your visit to a historical place. Use all types of sentences in the letter.

Dear Tina,

How are you doing these days? I recently visited the Konark Sun Temple in Odisha. What a magnificent structure it is!

The ornate stone carvings are truly breathtaking. I did not expect the temple to be so massive in person. Believe me, the history behind every wheel is fascinating. Did you know that the temple is designed as a giant chariot?

I suggest you to plan a trip there during your next vacation. You must never miss the light and sound show in the evening. How wonderfully the history comes alive!

Give my regards to your parents and let's love and take care of yourself.

Yours lovingly,
Tijya Joshi
