## Activity - 4

I usually do not celebrate my birthday. I prefer spending the day quietly at home. Once, however, my family decided to celebrate it in a simple way. They invited a few close relatives and friends.

My parents gave me their blessings and a small gift for the atmosphere was warm and joyful. My mother prepared special food for everyone. My family made the day memorable for me. I felt happy and grateful at the end of the day.

That birthday still remains a pleasant memory in my life.

Dear friend,

I hope you're fine last week  
I visited a famous historical  
place with my family  
we went to the old fort  
which is known for its rich  
history and grand architecture.  
The fort was built on a hill  
and it gives a wonderful  
view of the city. We walked  
around the fort and took  
many photographs. The guide  
explained the history of the  
fort and listened carefully.  
I learned many interesting  
facts about the rulers who lived  
there. The place was crowded,  
but it was peaceful at  
the same time. I felt proud  
of our rich history.

Una I enjoyed the visit very  
much.  
isn't it surprising how these monuments  
still stand strong after 50  
years?  
What an amazing experience it was.

You should visit this place  
whenever you get a chance  
Please write back and tell me  
about your recent activities.

Yours Lovingly  
Firoz Jhagra
