Later, my best friend, Dhruv came over for a movie party. The smell of my favourite chocolate cake filled the entire house. When I walked in, all my friends shouted, "Surprise!". Dear Dhruvi,

How are you? I hope you are doing great! I wanted to tell you all about my recent trip to the Taj Mahal in Agra. Did you know it is considered one of the New Seven Wonders of the world?

It was an absolutely magnificent experience! The sheer size and pristine white marble were breathtaking. The architecture is truly astounding; it took twenty-two years to build it. I spent hours just walking around the complex. Imagine the artistry and labour involved in creating such a masterpiece!
