Family. It was truly a  
wonderful experience.

When we reached the temple,  
I was amazed to see the  
magnificent stone carvings.  
How beautiful the structure  
is! The guide explained  
the history of the temple,  
and I listened carefully.  
Do you know that it was  
built in the 13th century?  
I could not believe how  
skilful the craftsmen  
worked without tools.

The temple complex was  
clean and peaceful. We  
took many photographs.  
Please don't forget to  
check the picture I  
am sending with this  
letter. The wheels of  
the temple looked like  
huge stone clocks,  
and they were covered  
in gold.

Although the sun was very hot, we didn't feel tired. We drank coconut water and enjoyed the cool breeze. Everyone admired the sculptures. What an excellent example of ancient India art it is.

You should definitely visit this place. You will love it as possible. Let plan a trip together soon.

With love,  
Your Nanna.
